IT'S A GUNG-HO ADVENTURE ON FAMILY DAY

It's a gung-ho affair when everyone gets excited and raring to take part. That was how best to describe Family Day for West Coast GRC and Pioneer Constituency on 27 August 2017. Over 4,000 family members were at the Adventure Cove Waterpark at Resorts World Sentosa to play games, enjoy water adventures and have fun together. Grassroots advisors present included Mr Lim Hng Kiang, Mr S Iswaran, Mr Patrick Tay, BBM, Ms Foo Mee Har and Mr Cedric Foo.

ROBOTS AND CASHLESS PAYMENT: JURONG WEST HAWKER CENTRE GOES HI-TECH

Jurong West has scored a first in hawker centre productivity with tray return robots and an integrated cashless payment system, with the food stalls providing faster turnaround service especially during peak hours.

Residents can pay at self-payment kiosks (NETS, NetsFlash Pay, Credit Cards, Debit Cards, PayWave, Apple Pay, Samsung Pay and Ezlink) or use cash.

The centre is poised to transform into a thriving communal focal point for families to bond and take part in activities including thematic festive fairs, career fairs, and music performances. It has 34 cooked food stalls and 14 market slab stalls, with close to 500 seats. Diners can enjoy a variety of local favourites and fusion dishes as well as healthier choices approved by the Health Promotion Board.

The centre was opened on 8 Oct 2017 by Dr Amy Khor, Senior Minister of State, Ministry of the Environment and Water Resources and Ministry of Health, Mr Patrick Tay, BBM, MP for West Coast GRC, and Mr Cedric Foo, MP for Pioneer Constituency.

Dear Chriselle,

I am impressed by you, in particular your manner of attending to the seepage issue that my flat has been experiencing for last 5 to 6 months.

I live in Clementi West Street 2 and right from the inception of being notified of the issue, you have followed up on the action steps to address the matter. Apparently, there are some SOPs set at Town Council relating to seepage issues.

Personally, I do know that it is not as easy to trace seepage to its source(s) especially when it is possible to involve external wall or inter-floor and in extreme case even both. On the other hand, it has become intolerable to find the wall and ceiling paints at affected areas in the toilets, master bedroom and kitchen either turning mouldy, coming apart or bulging or discolouring from persistent dampness. As it is of now, it raises the question of whether spalling on the concrete ceiling has been already triggered and the process is ongoing. Worst still recently, water is oozing out of the walls and ceilings at affected areas during rainy weathers to discharge as quickly as possible from some unknown source(s).

It is fortunate to have got you as the right contact when I feedback on this matter to the Town Council. You have then also helped to connect me with HDB branch office. When I contacted you again for further assistance, you were attentive and helpful.

Due arrangement to ascertain whether or not the occurrences can be attributed to external wall seepages was made soonest possible. As it turned out on yesterday morning, your good self and HDB's representative have jointly managed to establish the cause to be leaking pipe(s) on the upper floor neighbour unit. In this instance, the rectification works will not fall under the responsibility of Town Council. Instead it is the upper floor lessees, and thankfully, there is at least a light at the end of the tunnel on this matter for now. Hopefully, the actual closure does not have to be prolonged unduly to aggravate more damages to my home.

Although I was represented by two relatives at the inspection, I am absolutely delighted to have been contacted by you and an update was given on the outcomes. As I reflected over the encounter so far, I know for sure that I am experiencing authentic helpfulness, attention and competent handling of my case from you.

Thus, I am unreservedly saying to you, "Thank you very much for the caring and professional attitude that you have given to my case"

This sincere note of appreciation is inspired by you truly. Thumbs up for you, Chriselle!

Best and kind regards,
Chong Liang Kee

Dear Sir/Madam,

The purpose of this letter today is to specially compliment Mr Andy on his duties and performance as a Property Officer in Pioneer Zone 1 estate (Jurong West Centre 1 Block 692-696 and 687-691).

A very good and wonderful action he done was the resting shelter in-front of Block 694. The shelter have been used by many residents as a rest and connection place for bonding. But none of the residents are aware that the wooden roof damage are due to wear and tear. Mr Andy removed the unsafe roof top of the shelter which have prevented any injury.

He also ensured the open shelter is re-open and safe for residents to use within a day which many residents gave a thumb up to him.

As a Pioneer resident and RC member of Pioneer Zone 1, I am very pleased with the results all these while with Mr Andy around. He has been a great help in fulfilling his duties and ensuring that our estate is well maintained, and that every issues are dealt with promptly and efficiently. He is very friendly, diligent and self-motivating individual who always takes the initiative to find out what can be done better, to improve our environment and area well-being and safety.

I thank Mr Andy for all the extra mile and excellent work.

I hope our West Coast Town Council and his Company recognizes the efforts that Mr Andy has put in and wished the best for his career endeavours.

Yours Sincerely,
Dickson Kang
