## Christmas Celebration

In this new year, I wish everyone good health, happiness and success.

We are off to a fresh start, and I'm pleased to share with you what has been going on in our neighbourhood so far.

## Recycling Drive

It rained heavily that morning, but we were glad that many of our West Coast residents still came with their pre-loved clothes as well as newspapers and other paper material to recycle.

## Active Ageing Carnival

At the Active Ageing Carnival at West Coast, our seniors were introduced to many of the health, fitness and wellness services in our community.

## Municipal Improvement Visit

Joined volunteers, management corporation members, residents and agency colleagues at various locations across West Coast to discuss our plans for municipal improvements.

## Edusave Awards
