HAPPY NEW YEAR!

FROM S ISWARAN

Dear residents of West Coast,

Happy New Year. I wish all of you and your families good health and happiness in 2022. Let us all walk together to safely emerge from the COVID-19 pandemic, **as one West Coast family.**

We have done much work in 2021 to **enhance the amenities across West Coast** for you.
For example, the installation of three Pedestrian Overhead Bridge lifts at West Coast Walk, Blk 506 West Coast Drive and Blk 610 Clementi West Street 1 has greatly i**mproved barrier-free access** to nearby amenities. **A big thank you once again** to all of you who had previously raised this to me during my House Visits!

Another project that we embarked on due to your feedback was to upgrade the playground at Blks 509 and 510 West Coast Drive **into an elderly fitness corner.** I would like to encourage our seniors to use these facilities in accordance with COVID-19 movement restrictions.

We are also taking steps to **enhance road safety for our seniors**. Under the Silver Zone Project in West Coast, lorry restriction signs have been put up along West Coast Drive. In 1st quarter of 2022, we'll also see a road hump constructed at the stretch near Qifa Primary School and a new Red-Amber-Green turn indicator traffic light at the junction of West Coast Road and Clementi Ave 2 to **improve traffic conditions and safety.**

I**f you have any feedback, comments or suggestions, please send them over to me at west.coast.mps@pap.org.sg.**

Once again, I would like to wish you a very Happy New Year and a safe and bountiful 2022!
