

# HELLO! FROM PATRICK TAY

Dear residents of Pioneer,

I am glad to have met many of you in person at various events around Pioneer after the easing of the Safe Management Measures. Happy to finally meet with our children at the Pioneer Education Merit Awards Ceremonies and the Pioneer PCF Sparkletot Centers' SparkleKit distributions. It was also great to catch up with residents and volunteers at the Ramadan Food Distribution exercise driven by our Malay Activities Executive Committee (MAEC) and all our Resident Networks (RN).

We also held 2 major hybrid webinars with various partners covering a broad range of topics like advanced care planning, financial literacy and scam prevention. I am heartened by the fact that these educational talks we have been running for more than a year now has proven to be useful for many residents.

I am also proud of residents who stepped forward on the sustainability front by volunteering to be in the Pioneer Sustainability Taskforce, contributing to the #OneMillionTrees movement and recycling 1.7 tons of paper in the first quarter of 2022 via the SGRecycle machine located at the Frontier Plaza beside The Frontier Community Club – that is equivalent to saving 29 trees.

Last but not least, the one-stop Service SG Centre at The Frontier CC is in operation. This facility will bring to you much convenience in our neighbourhood with a concierge support for more than 200 government services! If you ever need help, just head down to our CC and the staff there will be at your service.

Do follow our Pioneer Community @sgpioneer Facebook, Telegram and Instagram page to get the most updated news in the neighbourhood. We look forward to your valuable feedback and suggestions too – keep them coming!
