

Why take the risk?

Dispose of your non-UL2272 PMDs safely at designated disposal points now.

Fire cases involving Personal Mobility Devices (PMDs) have been on the rise.

## Early Disposal Scheme for non-UL2272 PMDs

**EXTENDED!**  
**NOW - 31** DEC 2019

Qualify for a \$100\* early disposal incentive per e-scooter when you dispose of registered e-scooters at designated disposal points.

**NOW - 31** MAR 2020

Dispose of your non-UL2272 PMDs at designated disposal points across Singapore at no charge.

**MORE  
DISPOSAL  
POINTS**

Visit <https://go.gov.sg/pmddisposal> for more information on the disposal scheme and locations of the disposal points.

Minimise the risk of fire. Use only motorised PMDs that bear a UL2272 certification mark.

\* Terms and conditions apply.
