Dear Residents,

### **LIFT REPLACEMENT PROGRAMME AT YOUR BLOCK**

I am glad to share that your block will be undergoing the Lift Replacement Programme (LRP).

This LRP will be fully funded by HDB and the Town Council. **There is no need for residents to pay for the replacement of the lifts.** Under the LRP, the lifts would be replaced with more energy-efficient motors, vision panels and infra-red doors with motion safety sensors for added energy efficiency, safety and security.

The lift replacement works would be carried out from **2 November 2020** till the **3<sup>rd</sup> quarter of 2021**, barring any unforeseen circumstances.

During the LRP, there will be dust, noise and some inconveniences and I hope the residents can understand. If you need any help and/or clarifications, please feel free to email ([wctcbl@wctc.org.sg](mailto:wctcbl@wctc.org.sg)) the West Coast Town Council or call 6791 5755.

Thank you.
