

# HELLO!

## FROM PATRICK TAY

Hope you have been well since we last met! I am delighted to bring you some updates within our Pioneer Community.

### Creating a Safer Home

Thanks to the West Coast Town Council team, we have been hard at work with ongoing estate upgrading and maintenance projects. On top of that, the team has been responding to requests and constructive feedback from the ground. Some highlights from these couple of months include:

- Replacing the broken convex mirror at Block 698B Jurong West Central 3
- Upgrading in-lift CCTV camera in Lift A at Block 665A Jurong West St 61
- Repairing the damaged path at Block 989C Jurong West St 93

Help contribute to Creating a safer neighbourhood by sending your feedback to the team directly via email at [wctcbl@wctc.org.sg](mailto:wctcbl@wctc.org.sg) or through the OneService App.

### Connecting with You

Our ServiceSG counter at The Frontier Community Club celebrated its first birthday in April! Providing access to over 400 government services, Pioneer constituency is privileged to serve as one out of four locations in Singapore for the ServiceSG@CC initiative. In conjunction with the anniversary celebration, we had over 700 residents coming together for the Easter Family Day celebration. The CPF team also gave an insightful talk on how your CPF funds can be used in your retirement years. These are just a selection of the dozens of events and initiatives put together in recent weeks by our capable team of volunteers and constituency staff. Do follow us on social media to not miss out on the action!

### Caring for Our Community

I was pleased to also join more than 100 grassroots leaders for the annual Pioneer Care Symposium. The Symposium aims to equip our volunteers and constituency staff with the various support tools (eg. funding schemes and welfare initiatives) for the vulnerable in Pioneer. I am particularly thankful for the volunteer team who contribute their time and effort to look out for residents who are going through some difficult times. Let us continue to do that as a community. You can play a part too by volunteering with us or just simply referring cases to us.

Thanks for reading this and please remember to stay hydrated, given the warm weather in Singapore recently.
