# CLOOP

## CLOSING THE LOOP IN TEXTILE RECYCLING

### Have you been thinking about clearing out your wardrobe?

Rather than throwing your garments away, find CLOOP's textile recycling bins nearest to you and play a role in reducing waste and conserving resources. The initiative has been well-received by West Coast residents since it began in March 2023. Their enthusiasm has resulted in over 4,900kg of donations in just over a month.

With over 330 drop off points nationwide and 12 bins placed around West Coast Town alone, being a part of the circular fashion initiative focused on reducing fashion overconsumption and waste has never been easier.

### So what happens after you drop your items into the bin?

All collections undergo intensive sorting into over 500 categories for resale, reuse, upcycle, and recycle internationally! Find out more about Cloop and the textile recycling bin project at [www.cloop.sg](http://www.cloop.sg).

Clothing recycling and upcycling support the transition towards a circular economy, where materials and products are kept in use for as long as possible. By extending the life of clothing items through recycling and upcycling, we can minimise the linear “take-make-dispose” model and promote a more circular approach to fashion.

# LET'S PLAY OUR PART

KEEP OUR ESTATE SAFE

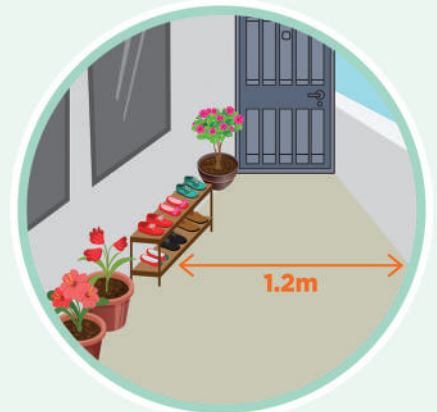

## LET'S ENJOY A SAFE AND UNCLUTTERED LIVING SPACE

It would be difficult to get to you or your loved ones in times of emergency with clutter along the corridors. Let's keep our spaces clear so we don't trip and fall when we need to evacuate in an emergency.

Keep a clear corridor width of at least 1.2m in case of emergency, or for a wheelchair-bound person

Use a small shoe rack and place potted plants along one side of the corridor

Do not obstruct staircase landing with plants and personal items

Clear staircases which will be used to escape during an emergency

STOP HIGH-RISE LITTERING

## COMMONLY LITTERED ITEMS FROM WINDOWS

Tissue paper

Cigarette butts

Leftover food for feeding pigeons

Repeat offenders can be fined up to \$10,000 and may be made to perform Corrective Work Order

**Bin your trash properly in the rubbish chutes.**

## ITEMS COMMONLY PLACED HAZARDOUSLY

## WHAT HAPPENS WHEN YOU LITTER FROM WINDOWS?

### Dirtyes the environment and may attract pests

No one wants to live in a dirty neighbourhood. Not only is it unsightly, it inconveniences your neighbours and attracts pests which may spread diseases to you and your loved ones.

### Passers-by could potentially get hurt

When you place objects near your windows, you risk the lives of innocent passers-by. The consequences of high-rise littering are serious. It could result in injury or even death.

## Ayer Rajah-Gek Poh Diary

### All You Need to Know to Stay Healthy and Well

**T**here is much talk and hype about Health, Wellness and Happiness nowadays. Eat healthy, stay happy, exercise more, think positive... the list goes on. So health enthusiasts, people who just want to be happy, and those who are raring to go in pursuit of complete wellness had a field day at the Health & Wellness Carnival @Ayer Rajah CC in June. "It was a day packed with activities from Breast Cancer Talks, TCM Wellness Talks, health checks, exercises with ActiveSG to stage performances," said MP Foo Mee Har.

**如**今，人们对健康、保健和幸福有很多讨论和炒作。健康饮食、保持快乐、多锻炼、积极思考...这样的例子不胜枚举。因此，健康爱好者、只想快乐的人们以及渴望追求全面健康的人们6月在亚逸拉惹民众俱乐部里度过了愉快的一天。议员胡美霞说道：“为居民们举办的健康与保健嘉年华有乳腺癌讲座、中医养生讲座、健康检查、ActiveSG 练习以及舞台表演，确实是快乐的一天。”

## Boon Lay Diary

### Allotment Garden Strengthens Community Spirit

**T**he new allotment garden in Boon Lay has brought residents together, allowing families to spend more time with each other, and turned strangers into friends who share their produce with each other and their neighbours. Our community farmers grow a wide range of herbs, vegetables and flowering plants. "I have learnt that there are many varieties of basil. Some grew colourful orchids and hoyas. This is made possible by the collaboration between HDB, NParks and local community volunteers," said Minister Desmond Lee.

**文**礼的新分配花园将居民聚集在一起，让家人有更多的时间在一起，并将陌生人变成朋友，与彼此和邻居分享他们的农产品。我们的社区农民种植了多种药草、蔬菜和开花植物。李智陞部长说道：“我了解到罗勒有很多品种。有些居民种了色彩缤纷的兰花和霍亚斯。这一切都要归功于建屋发展局、国家公园局和当地社区志愿者之间的合作。”

## Parents and Kids Bond at Parents' Day Party

Even though it was an occasion to celebrate parents, their children were also up for a good time! The event at Nanyang Zone 3 Residents Network on June 26 saw parents and their young ones enjoying and bonding through the performances, songs and a yummy lunch!

## Residents' Strong Support For Tree Planting

"The bimonthly tree planting event at Nanyang received an inspiring level of enthusiasm from residents," said MP Ang Wei Neng. He also extended special thanks to Miss Earth Singapore 2022, Ms Charmaine Ng, who attended the event.

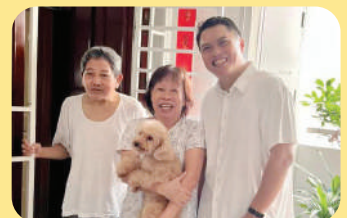

虽然这是个庆祝父母的场合，孩子也同样热情地参与聚会。6月26日在南洋第3区居民网络举行的活动中，家长和孩子们通过表演、歌曲和美味的午餐享受并建立了联系！

议员洪维能先生表示，南洋每两个月举行一次的植树活动受到了居民鼓舞人心的热情。他特别感谢2022年新加坡地球小姐，Charmaine Ng女士出席此次活动。

## Sharing and Caring for a Better Neighbourhood

MP Patrick Tay enjoys visiting residents during weekends to hear about their activities. It is also a time to update residents on improvements to the neighbourhood.

Residents wanted more equipment at the exercise corner and many were eagerly looking forward to the completion of the Jurong Region Line. Mr Tay said "It was wonderful catching up with everyone and hearing about the various updates on their lives. Looking forward to meeting everyone during our upcoming community events."

先驱单选区议员郑德源先生在周末拜访居民，是聊天和了解他们的好方法。这也是向居民通报有关社区建议的最新情况的最佳时刻。

居民们希望在社区内有更多的设备，许多人热切期待裕廊地区捷运线的竣工完成。郑先生表示，“很高兴能与大家见面并了解居民们生活中的各种最新情况。期待在我们即将举行的社区活动中与大家见面。”

### Celebrating Racial Harmony Day

**W**e celebrate and honour each other's faith and race, and at the same time embrace our differences. This is what makes our community so vibrant and unique, a treasure which we must never take for granted, said MP Rachel Ong.

On July 24, she led a group of residents from Depot, Dover and Telok Blangah to celebrate Racial Harmony Day. It was an incredible day of unity, discovery and cultural appreciation. They visited four places of worship: the Sri Ruthra Kaliamman temple, Tian Gong Temple, the Church of Blessed Sacrament and the Hang Jabatan Mosque where they were hosted to lunch. "Today's excursion was a powerful reminder of the beauty of Singapore's multiculturalism," she added.

**我**们庆祝和尊重彼此的信仰和种族，同时接受我们的差异。“这就是我们的社区如此充满活力和独特的原因，这是我们绝不能认为理所当然的财富，”议员王心妍说。

在7月24日，她带领居民庆祝种族和谐日。他们参观了四个礼拜场所：斯里鲁特拉卡里曼兴都庙、天官庙、圣体教堂和杭贾巴坦清真寺，并在那里享用午餐。她补充说：“今天的游览提醒了人们新加坡多元文化的美丽。”

### Nan Hua Students Wow with Lively Flash Mob

**N**ow you see them, now you don't. The flash mob by Nan Hua students added a lively display of movement and colour at the PassionArts Festival in July. Energetic music performances by other bands also raised the atmosphere! Another highlight was the work in progress of a stunning mural of the West Coast waterfront at Block 727 Clementi West Street 2. Check out the painting onsite and see how it comes alive!

**7**月中，南华小学的学生们在激情艺术节表演了快闪活动，为节日增添了生动的动感与色彩。几个乐队的音乐为音频水平增添了几个档次。另一个亮点是位于金文泰西第二街，大牌727号的一幅令人惊叹的西海岸海滨壁画。虽然壁画还在进行中，在现场观看这幅画，看看艺术会变得更活跃！

# Celebrating Unity and Resilience: NATIONAL DAY REFLECTIONS

As the echoes of National Day festivities still resound in our hearts, West Coast Town Council extends its heartfelt gratitude to our vibrant residents for their spirited participation in this year's National Day celebrations. The collective enthusiasm displayed not only warmed our hearts but also exemplified the unity and resilience that defines our community.

The National Day celebrations were a resounding success, with each division coming together in their unique ways to commemorate Singapore's journey of progress and growth. From the lively parades to the heartwarming community performances, a strong sense of pride and patriotism was exuded everywhere. The diverse assembly of our residents, young and old, reinforced our dedication to a cohesive and harmonious community.

Amid the colourful festivities, it's essential to remember the values that bind us as a community. Singapore's story is one of overcoming challenges through collective effort and unwavering determination. The same exact spirit resonates within all of us. Just as our nation has navigated through trials, we too have faced our own set of challenges. Yet, together, we have proven time and again that we are capable of surmounting any obstacle.

As we move forward, let us carry this sense of unity and resilience in our daily lives. The strength of our community lies not just in its physical infrastructure, but in the bonds that tie its residents. By fostering a culture of togetherness, we ensure that every member of our community is supported and cared for.

The National Day celebrations were more than simply a one-day event – they were a reminder of our shared identity and purpose. Let's hold onto this spirit, nurturing it through acts of kindness, neighbourly support, and a commitment to the well-being of our town. By standing as one, we can continue to transform challenges into opportunities and pave the way for a brighter future.

West Coast Town Council extends its gratitude to each and every resident for their active participation and dedication. Let us remain steadfast in our unity, embodying the Singaporean spirit that has brought us this far. Together, we will continue to build a neighbourhood that is not just a place to live, but a true community that thrives on solidarity and mutual respect.
