

July 2024

RACHEL ONG

MEMBER OF PARLIAMENT
TELOK BLANGAH DIVISION

Dear Depot, Dover & Telok Blangah Residents.

Since 2021, we have focused on building **Stronger Families, Greener Spaces, and a Sporty Community**. Moving forward, we will be introducing an initiative relating to mental well-being, under our Stronger Families' umbrella. As always, please feel free to reach out anytime, here's wishing you and your family much blessings and great health!

1. Stronger Families

Every month, 23 teams from the "Telok Blangah Mentoring Club" visit our seniors on Saturday mornings. This **Hello Neighbour!** programme pairs mentors and mentees with the same aunty and uncle, fostering familiarity and many look forward to regular time together!

A joy to celebrate our moms and dads during the recent **Mother's Day** and **Father's Day**. Thank you all for joining us at these events!

We are inspired by the amazing work of **SUNLOVE at Depot Road**, collaborating with different agencies to bring healthcare services to our residents' doorsteps! Thank you.

Our Telok Blangah Pulau Eco Club took fellow residents on a guided tour into the **Alexandra Forest**, led by Forest School Founder, Darren. Being in nature brings gratitude!

2. Greener Spaces

The **Buona Vista node** is the 4th community node to be completed and will add a new community space for arts and recreation that our Dover residents, One-North workforce and Rail Corridor users can explore.

3. Sporty Community

Our **Fencing Classes** are going strong! Encouraged to learn that our young residents are progressing well in this sport.

Cheering Team Telok Blangah at our **Badminton Community Championship 2024**, one of the 5 core sports to be featured in Pesta Sukan. BRAVO!

Slay Connected!
