

# HELLO!

## FROM S ISWARAN

Dear residents of West Coast,

As we enter the new lunar year of the tiger, you can look forward to the completion of **new covered linkways** at the following locations by the second quarter of 2022:

- Blk 716 to 722 Clementi West Street 2
- Blk 601 to 609 and Bus stop at Clementi West Street 1

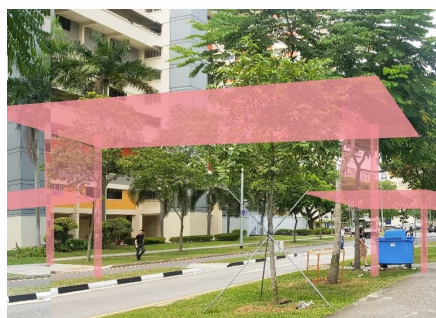

LTA will also be **upgrading street lights to LED lights** along West Coast Crescent, West Coast Green, West Coast Grove, West Coast Rise, West Coast Terrace, West Coast Lane, West Coast Way and West Coast View, to **enhance energy efficiency, reliability and safety**.

As part of a nationwide effort by PAP Town Councils to **go green**, we have installed an SG Recycle machine at Blk 726 Clementi West Street 2. Deposit your old newspapers, books and carton boxes in exchange for credits.

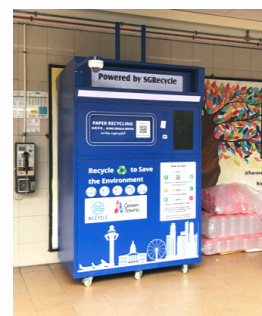

COVID-19 accelerated the shift from cash to digital options for payments, but the **recent prevalence of SMS and digital scams highlighted the need to better equip ourselves against such threats**. West Coast Active Ageing Committee, West Coast CC SCEC and SG Digital Office recently organised an E-Payment Learning Journey (EPLJ) **for our seniors** in West Coast, and I am confident that the basic digital proficiency they have acquired will help them **safeguard against such scams, while enhancing convenience in their daily lives**.

If you have any feedback, comments or suggestions, please send them over to me at [west.coast.mps@pap.org.sg](mailto:west.coast.mps@pap.org.sg).

I would like to wish everyone prosperity, happiness and good health this year!

Upcoming Linkway from  
Blk 716 to 722 Clementi West Street 2
