"Back to Nature" Family Day

What's the natural thing to do when families and neighbours get together? Enjoy each other's company, develop more understanding, and foster closer ties, of course! That was what it was all about at West Coast GRC and Pioneer Constituency Family Day on 4 November 2018 at the Singapore Zoo. Its relaxed natural environment was ideal for the 4000 participants to enjoy themselves and build up their ties. They were joined by MPs to West Coast GRC and Pioneer SMC Mr Lim Hng Kiang, Mr Patrick Tay, BBM and Mr Cedric Foo. A highlight was the Splash Safari Show that thrilled everyone present.

A Warm 'Home Sweet Home' Welcome

Home is where the heart is. This was evident in Depot Heights at the Welcome Party for residents of Blocks 102A, 105A and 110A on 26 August 2018.

The beaming faces of the families, the 'hellos' to their neighbours, and the warm atmosphere said it all. Depot Road is home sweet home. Their homes – 418 units of studio, 3-room, and 4-room apartments – were housed in a new 26-storey and two new 21-storey blocks in Depot Road.

The flavour of Depot Heights is enhanced by the abundance of nature and greenery, and recreational facilities in the vicinity. Fitness corners, hard court for games, and a playground catered to the elderly, adults, and children. Roof top community gardens are ideal for those

with green fingers and a good location for families and neighbours to socialise with each other. There are malls, schools, and transport links conveniently located nearby.

The Welcome Party was like a family affair with activities aimed at enhancing the 'kampong spirit' of years gone by. Children's colouring contest, entertainment, and carnival games as well as exhibition booths by HDB, RC, Singapore Police Force and West Coast Town Council completed the programme. Mr Lim Hng Kiang officiated at the event.

"I am happy here, with family, neighbours and friends who support each other, play games and exercise together, and in times of need are there for each other," said a resident.

Hooray! HIP for Ayer Rajah flats

Yes, there is a cause for cheer as selected blocks in Ayer Rajah will be upgraded under the Home Improvement Projects (HIP) scheme.

The good news for Blocks 401 to 416 Pandan Gardens and Blocks 43 to 54 Teban Gardens was delivered on 4 August 2018 at Ayer Rajah National Day Street Party by Ms Foo Mee Har, Adviser to Ayer Rajah Grassroots Organisations and MP for West Coast GRC.

HIP has three components, Essential, Optional improvements and Enhancement for Active Seniors (EASE). Essential improvements are compulsory as they are necessary for public health, safety, and technical reasons. Optional and EASE improvements allow you to choose improvements and pay for only a portion of the cost. For example, 1, 2, and 3-room units pay only 5%.

The HIP will proceed when at least 75% of a block's eligible households have voted in favour.

Essential Improvements	Optional Improvements	Enhancement for Active Seniors (EASE)
Replacement of waste pipes	Upgrading of toilets/bathrooms	Slip-resistant treatment to floors in 2 toilets/bathrooms
Repair spalling concrete/structural cracks	Replacement of entrance door	Grab bars to 2 toilets/bathrooms
Replacement of pipe sockets with clothes drying rack	Replacement of entrance gate	Ramps to navigate level differences in the flat and at the main entrance (where technically feasible)
Upgrading of electrical supply	Replacement of refuse chute hopper

Dear Shawn and team,
Our West Coast Green RC would like to extend our appreciation to you for the prompt actions and professionalism shown on our various feedbacks.

1) Damaged footpath at gable end of Block 708 - the whole stretch of footpath was repaired the day after our feedback. The work was done very well and benefited many residents traveling to and from the market and bus stop.

2) Snapping of tree branch at carpark in front of Block 702 - it damaged a car parking below it. An unfortunate incident but the immediate follow up by your team was greatly appreciated. In less than an hour, all the branches were cleared. In addition, you prepared a joint notice for both our RC and Town Council to put up the same day, to address possible concerns residents could have. It is a blessing for us to have such a great team working in our estate. Let's continue to work together for the betterment of our residents.

Hi WCTC,
I would like to compliment your senior property officer, Kenneth. He assisted me with my feedback about low water pressure and an unknown sound affecting my unit.

He was very prompt in his response and would update me on what was being done to resolve my problem and then check back with me on the outcome. He followed through on everything and also referred to HDB for assistance.

I want to thank Kenneth for all his efforts.

Tony
