More than 1,300 young children and their parents were treated to a fun-filled evening of engaging role-play activities, bonding and learning at the West Coast GRC and Pioneer Constituency Family Day 2019 held on Saturday, 28 Sep 2019, at KidZania Singapore.

Organised by the five Citizens' Consultative Committees of West Coast GRC and Pioneer Constituency, the annual hallmark GRC Family Day aimed to encourage and reinforce family cohesiveness within a light-hearted interactive setting, as well as encourage young parents to form communities of support as they embark on their parenthood journey.

That evening, more than 60 role-play activities were lined up for children to participate as they enrolled in various occupations under realistic environments, for instance, learning to bake as a pizza chef at a pizzeria, respond to emergencies as a firefighter or paramedic, or earn their minute of fame on camera as a news broadcaster. Through family and light-hearted learning oriented activities like these, the organiser hoped that the children would walk away with a stronger lifelong passion for learning that would also inspire them to embrace responsibility, creativity and independence through play.

Family Life Champion representatives were also there to engage participants with a series of family-friendly mini games and encourage inter-generational conversations and understanding. In addition, participants also had the chance to be part of Chingay 2020 by personalising and decorating tiles that will be used to form the Chingay floats.

West Coast's Sungei Pandan Kechil is now an environmental show piece that increases greenery and enriches biodiversity that connects to West Coast Park through the Park Connector Network and Clementi Woods Park.

The 600-metre stretch of 'beautified' canal between AYE and West Coast Road is an initiative under the Active, Beautiful, Clean Waters (ABC Waters) Programme to transform drains, canals and waterways in Singapore into beautiful, vibrant and clean rivers, lakes and streams that integrate with the surrounding developments and scenic jogging paths.

West Coast GRC MP S. Iswaran announced the completion of the upgrading works at a National Day celebration on August 31, 2019. Mr Iswaran, who is also the Minister for Communications and Information, said national water agency PUB had initially wanted to just deepen the canal after flash floods in September 2013 caused the AYE to be closed temporarily. But after discussions, Mr Iswaran said, "we decided to make it into an active, beautiful and clean water project. So now we have a lot of facilities here, it is a very beautiful environment."

Good Neighbour Award winners

When the Good Neighbour Awards were announced by the HDB this year, two awards were won by residents of our Town!

Left: Ms Lim Mei Cheng (Nominator) with Mdm Rasamal D/O Nadayson (GNA Recipient - Open Category)

Right: Mr Harold Teo (Nominator) with Mr Mawin Khoo (GNA Recipient - Student Category)

Affectionately known as Auntie Rose by her neighbours, Mdm Rasamal has demonstrated that age is no barrier to living out the spirit of neighbourliness.

Starting out as hi-bye neighbours, Rose and Mei Cheng grew closer after Mei Cheng's father fell ill. Rose visited him regularly when he was hospitalised for five months, and kept a lookout for Mei Cheng's house whenever Mei Cheng was with her father.

At 82 years old, Rose also takes care of other elderly neighbours, visiting and sharing food with them, and inviting them to neighbourhood events.

Rose's actions have touched Mei Cheng deeply; nominating Rose for the Good Neighbour Award is Mei Cheng's way of showing her appreciation and gratitude to her kind neighbour

Mawin has brought much joy to the neighbourhood after moving in a year ago.

He is often seen chatting with the senior residents in the area, delighting in listening to their stories and learning from their life experiences. As a plant lover, Mawin also appreciates exchanging useful gardening tips with his more experienced neighbours.

Mawin puts up Lunar New Year decorations along the corridor to liven up the space. The decorations brought lots of warmth and festive cheer and his neighbours have commended him on his initiative.

Ever ready to give back to his community, Mawin inspires his neighbours to do their part for their home. He believes that they can create a better living environment together.

Congratulations to our National Day Award Recipients

Mrs Vijayan N Suthay, 64, resident of Block 177 Boon Lay Drive

Residents in Blocks 174 to 179 Boon Lay Drive now have a more conducive and engaging environment to mingle with and strengthen community bonds. The completion of the Neighbourhood Renewal Programme (NRP) initiative was celebrated at a ceremony on 21 Sep 2019, where Mr Patrick Tay, BBM thanked all residents for their patience and understanding when construction works were being carried out.

Mr Tay said: "New facilities added to your precinct include a covered multi-purpose court, jogging track and fitness corners, aimed to promote a healthier lifestyle and to serve as venues for residents to interact and make new friendships. Extended awnings have been constructed to provide additional walking space and shelter to avoid heavy rain and scorching sun. Also, with the increasing numbers of bicycles in your precinct, more bicycle sheds have been provided. Other new and upgraded facilities include a community hall, covered walkways, drop-off porch, barrier-free access ramp, children's playgrounds, barbeque corner, community garden and precinct marker.

How You Can Take Charge of Your Career with MyCareersFuture.sg

Our national jobs portal lets you find available opportunities near you.

1. Search for openings in your sector by including relevant key terms in the search bar.
2. Look for roles close to home by checking the relevant location area boxes for opportunities nearby.
3. To view jobs receiving assistance from WSG, check the "All available" box under Government Support.

Government jobs portal MyCareersFuture.sg is now welcoming employers on board to try its new web features. These include the Applicant List, where employers can get an overview of all applicants; as well as the Suggested Talent feature, which recommends possible candidates who possess the necessary skillsets. One-stop logistics solutions company, WHS Global Logistics located in Pioneer, is one employer who has benefitted from the site.

Tan Pei Yi from the company's HR team shares that previously, to hire local talents, she tapped on other free jobs portals but often met with low response rates. "Someone then recommended us to use MyCareersFuture.sg and we decided to try," she says. The new Suggested Talent feature helps Ms Tan cast the hiring net further, reaching potential talents who did not apply for the position. "With this feature, we know who are looking for jobs and are able to call them to explore opportunities," she shares.

Additionally, with the Candidates Preview function that presents an overview of an applicant's CV at one glance, Ms Tan no longer has to download every resume. "It used to take me at least half an hour to download all resumes," she says. "Now, I take half that time." She adds that the new interface also makes it easier to access and toggle around.

Dear General Manager of West Coast Town Council,
I would like to take this opportunity to express my thanks and appreciation to your Officer, Ms Lau, who takes care of Blk 663D Jurong West St 65. For the past many years, I have been contacting her for assistance. She had never once disappointed me.

Recently I encountered bees near my unit. She quickly deployed the Pest Control team and, knowing my worries, she personally handled the case and assured me that everything will be okay. Her follow up skill and high level professionalism is something that I would like to praise too.

She is a valuable asset to your Town Council. Even when the going gets tough, she always finds a way to get it done and done well. Hope you can acknowledge this and show recognition for her dedicated services.

Thank you.
Regards, Cyn

Hi,
I am writing this note to put on record my thanks to Derrick, Kabir and Hridhoy. The latter two gentlemen came to assist my family out of goodwill to clean up a trash-strewn ledge outside my kitchen and bedroom. The neighbours above had been throwing litter out of their window and some had been accumulating on the ledge, and this posed hygiene risks to my family, particularly my newborn. My family's gratitude to your team for the help - we saw the effort that was put in and we much appreciate it.
Best regards,
Lim Shung Yar
