OVER 75% ACHIEVED!

Thank you Gek Poh!

We are heartened by your valuable feedback and the tremendous support you have shown for the Neighbourhood Renewal Programme.

The developments will proceed in our continuous effort in creating a beautiful, conducive and safe living environment for all. Let's work together to build a better home for everyone!

Thriving in Green Splendour: West Coast GRC and Pioneer SMC Unite for a Lush Tomorrow

In a dazzling display of eco-conscious camaraderie, the West Coast GRC and Pioneer SMC communities joined forces to embrace nature. October and November 2023 marked several Tree Planting events, which saw the planting of various vibrant trees, each a symbol of renewed commitment to a greener future.

Telok Blangah

It's never too early to embark on a green journey! Gathered under the canopy of possibility, West Coast residents, young and old, teamed up with the charismatic Ms. Rachel Ong, MP for West Coast GRC (Telok Blangah), to plant the resilient *Diospyros Buxifolia* on November 11, 2023, at Block 57 Telok Blangah Drive. The event was not just about trees; it was a tribute to our tireless conservancy workers, and it celebrated the spotless excellence of eight blocks across Depot, Dover, and Telok Blangah estates.

Ayer Rajah-Gek Poh

This year's Tree Planting Day was not a mere date on the calendar; it was an expedition through time and biodiversity. On the 25th and 26th of November 2023, Teban Gardens and Jurong West Street 25 bore witness to the planting of the remarkable *Podocarpus Macrophyllus* and the endangered *Ardisia elliptica*. This extraordinary shrub, adorned with pink star-shaped flowers and colourful leaves, is now flourishing in our coastal parks, defying its endangered status. As an ode to our relentless conservancy workers, Ms. Foo Mee Har, MP for West Coast GRC (Ayer Rajah-Gek Poh), led the appreciation ceremony, ensuring their dedication was recognized.

Boon Lay

November 4th, 2023, was a date etched in greenery for Boon Lay division.

Near Block 206 Boon Lay Drive, Mr. Desmond Lee, MP for West Coast GRC (Boon Lay), stood shoulder to shoulder with enthusiastic residents to plant the treasured *Horsfieldia Polyspherula*, breathing new life into the estate and elevating the quality of living for all.

Nanyang

On November 11th, 2023, residents, guided by Mr. Ang Wei Neng, MP for West Coast GRC (Nanyang), ventured into the wild by planting the majestic *Garcinia Subelliptica* species at the Zone 2 park, right in front of Block 938 Jurong West Street 91. Each sapling they planted was a promise of a more harmonious coexistence with nature.

West Coast

In the heart of the West Coast division, the air was electric with enthusiasm on November 19, 2023, as residents and community volunteers united at Block 610 Clementi West Street 1. Together, they planted the lustrous *Garcinia Subelliptica* species, creating a verdant oasis in the urban landscape. As a delightful climax to the event, prizes were awarded to the champions of the Annual Cleanest Block Competition, honouring four remarkable West Coast blocks.

Pioneer

Leading the charge in Pioneer SMC's Tree Planting Day, Mr. Patrick Tay, MP for Pioneer SMC, orchestrated an unforgettable gathering. At the open space beside the 660E multi-purpose hall on Jurong West Street 65, the resilient *Saraca Declinata* found a new home, as residents lent their hands to this noble endeavour. The event also served as a touching tribute to the dedicated conservancy workers who work tirelessly to maintain our community's splendour.

Ayer Rajah-Gek Poh Diary

A Rosy Way to Teach Children Community Values

Greater support for low-income families is being given via the provision of groceries and household essentials through the recently-launched ROSE Programme. ROSE, which stands for “Rice, Oil, Sugar & Essentials”, is a collaboration between Corporation Primary School and Gek Poh Ville CC. Ms Foo said the school community raised close to \$20,000 for the project, an effort that also inspired Fong Shen Maintenance & Engineering to join the programme. She said: “Most of all, ROSE provided a platform for parents and children to volunteer together. There is no better way to teach our children important values of empathy, compassion, and social responsibility than to serve together.”

最近推出的 ROSE 计划，资助低收入家庭购买食品、杂货和家庭必需品。ROSE 是 Rice (米), Oil (油), Sugar (糖) & Essentials (必需品)，是德行小学 (Corporation Primary School) 和玉宝苑民众俱乐部的合作项目。胡美霞女士表示，学校为该项目筹集了近 \$20,000 善款，也激励 Fong Shen Maintenance & Engineering 加入该计划。她说：“最重要的是，ROSE 提供了一个让家长和孩子一起参与志愿服务的平台。没有什么比一起服务社会更能让孩子们学习到同理心、同情心和社会责任等重要价值观。”

Boon Lay Diary

Neighbourly Bonding On A Fruity Afternoon

Neighbours are usually friendly though few will keep to themselves. But mention the magic word “durian” and you see smiles all round. Jubilee Road was a busy venue on Oct 21 for durians, mangosteen, ice cream and other activities like orchid growing and feedback-gathering that had neighbours chatting affably with each other.

Getting the occasional 50% off when buying groceries and household essentials may not be a big deal, but to be able to enjoy the discount on practically most days takes the cake. Boon Lay CC has such a scheme for some 500 families run by the Heartwarmers, Sheng Siong and volunteers to help residents tide over difficult times. My appreciation for the entire team, said Mr Lee.

即使一些邻居较孤僻，邻居之间一般友好。但提到“榴莲”这个神奇的词汇，所有人都会展露笑容。10月21日，金禧路变得热闹非凡。居民们齐聚品尝榴莲、山竹、冰淇淋，还一起种植兰花，并愉快地交换意见和闲聊。

购买食品、杂货和家庭必需品时，偶尔获得半价折扣可能不算什么。但如果能在大多数日子里享受到这般优惠，那就太好了！文礼民众俱乐部，在 Heartwarmers, 升菰超市和志愿者的协助下，为大约 500 个家庭提供了这样的计划，帮助他们度过难关。“我对整个团队表示感谢，”李智陞先生说。

Mission Possible At Jurong Lake

The mission at Jurong Lake was of prime environmental priority. The lake needed urgent relief from the rubbish that was choking it. An emergency needs an urgent response. Towards the end of September, 50 Nanyang residents went on a mission: to clear as much rubbish as possible in Jurong Lake. As they kayaked and moved further from the pier, they easily filled up pails of trash! The high level of trash was a clear signal to keep our water catchment areas, parks and gardens clean. And everyone must play our part to keep our country trash-free!

Nanyang residents put on a brave front and ventured into a haunted world with zombies and other terrifying beings on Oct 20. Led by Mr Ang, over 1,000 daring residents, young and old, submitted to the chilling twists and turns of the haunted house. Said a 'shaken' Mr Ang: "Even I couldn't escape the zombies coming after us!"

裕廊湖任务刻不容缓。堵塞湖面的垃圾必须赶紧清除。情况紧急需迅速应对。50名南阳居民于9月尾展开行动，尽可能清理裕廊湖的垃圾。他们从码头出发，划着皮艇，搜集了一桶桶垃圾！大量的垃圾警惕我们要努力保持蓄水池和公园的清洁。我们每个人都必须尽一份力，确保国家不受垃圾污染！

2023年10月20日，南阳居民勇敢地进入一个充满僵尸和怪兽的恐怖世界。在议员洪维能先生的带领下，超过1,000名“害怕”的居民，无论老少，都经历了曲折曲折，令人毛骨悚然的鬼屋体验。“惊魂未定”的洪先生说道：“连我都无法逃脱僵尸的追赶！”

Pioneer Kids Shown Fun In Science, Tech and Math

West Coast CC burst into colour and movement on Oct 21 with a Lion Dance extravaganza. Residents were treated to an evening of traditional lion dance performances by various lion troupes including that from the CC. The performers wowed the spectators with their dexterity, skills, and coordination. "A wonderful and enjoyable evening for us all," said Mr Tay who was present for the show.

Given the right curriculum, equipment, and teaching methods, kids will be encouraged to learn and apply subjects such as science, tech and maths. Mr Tay caught up with families and children and Pioneer teams at PCF Sparkletots on Oct 21 to showcase methods and practices of teaching under STEM. It is an innovative programme to bring science, tech, and math in a fun way to our children, said Mr Tay.

10月21日，西海岸民众联络所举办了一场充满色彩和动感的大型舞狮表演。居民们欣赏了各个舞狮团（包括的联络所的舞狮团）所呈现的传统舞狮表演。表演者们的灵巧、高超技艺和协调性让观众惊叹不已。出席演出的郑德源先生也赞到：“真是一个精彩又愉快的夜晚！”

只要有正确的课程、设备和教学方法，就能鼓励孩子们学习和应用科学、科技和数学等科目。员郑德源先生于10月21日在PCF Sparkletots会见了家长、孩童和各先驱团队，展示了STEM教学的方法和实践。郑先生说：“这是一项创新计划，旨在以有趣的方式向孩子们介绍科学、科技和数学。”

Indian Muslims Celebrate Prophet's Birthday

Telok Blangah's Indian Muslim community celebrated the birth of Prophet Muhammad on Oct 22. This celebration has been a cherished tradition for the past 29 years, and this year was no exception, said Ms Ong. She extended her gratitude to the dedicated MAEC grassroots leaders for making the celebration a meaningful one.

Depot residents joyously marked the Mid-Autumn Festival alongside Ms Ong, embracing a lively and celebratory atmosphere. Convivial atmosphere, nice mooncakes, friendly neighbours: a great community that was rewarded with the sighting of the last super moon of 2023!

直落布兰雅的印度回教社群于 10 月 22 日庆祝了先知穆罕默德的诞辰。议员王心妍女士表示，庆祝活动在过去 29 年来一直是一项珍贵的传统，而今年也不例外。她感谢马来族活动执行委员会的基层领袖把这次的庆祝活动办的富有意义。

德普区居民与议员王心妍女士一起庆中秋。大家都沉浸在节庆中。欢乐的气氛、美味的月饼、友好的邻居。当晚出现的 2023 年最后一个超级月亮，更为庆祝会锦上添花。

West Coast Diary

Here's How You Can Get More Healthy!

West Coast residents are a health-conscious lot. Many turned up on Oct 16 at the HealthierSG Roadshow for screening, fitness classes, functional assessments, nutrition classes, and more. They also got a briefing on the kind of health plans that would be drawn up under HealthierSG, and the benefits of this national push for preventive health. Minister for National Development and MP for West Coast GRC Desmond Lee said: "Patrick Tay (MP Pioneer) and I were glad to be able to attend in support of this important programme. Thank you to all our organisers, volunteers and partners!"

西海岸居民注重健康。10 月 16 日的周末，许多居民参加了健康SG路演所举办的健康检查、健身课程、身体功能评估、和营养课程等。他们还听取了有关健康SG的各项健康计划的介绍，以及预防性健康计划的好处。国家发展部长兼西海岸集选区议员李智陞先生表示：“郑德源先生（先驱区议员）和我都很高兴能出席路演，并支持这项重要计划。感谢我们的主办方、志愿者和合作伙伴！”

Deepavali Reflections:

Fostering Community Unity and Celebrating Diversity

Deepavali, the Festival of Lights, holds a special place in the heart of the West Coast Town Council. It is a time when we witness the vibrant tapestry of our diverse community coming together to celebrate a festival that transcends cultural boundaries.

One of the most striking aspects of Deepavali is the sense of togetherness that it brings to our neighbourhoods. Residents from various cultural backgrounds actively participate in the festivities, whether it's by lighting oil lamps, decorating their homes with colourful rangolis, or sharing delicious sweets. This collective celebration strengthens the bonds that tie our community together. It serves as a testament to the remarkable diversity that we cherish in our town, and it is a beautiful example of how our differences can bring us closer.

The festival's significance is not limited to its vibrant traditions; it also emphasizes the importance of spreading joy and light to those around us. During Deepavali, residents often reach out to their neighbours, sharing sweets and goodwill. This culture of giving is a reflection of the caring and considerate West Coast community we are fortunate to be a part of.

As a Town Council, we are dedicated to supporting and facilitating the celebrations of Deepavali. We work closely with community leaders, local associations, and residents to ensure that the festival is celebrated safely and joyfully. The sense of unity and inclusivity that Deepavali fosters serves as a model for the kind of community spirit we continually aim to promote throughout the year.

Deepavali holds a special place in the West Coast Town Council's heart. It is a reminder of the power of diversity, unity, and community. It reflects the values that we strive to uphold in our town – an inclusive, caring, and vibrant community that thrives on the richness of its diverse cultural heritage. As we reflect on Deepavali, we are reminded that we are not just a town; we are a diverse, united, and closely-knit community, embracing the traditions and celebrations that make us unique while celebrating the shared values that bring us together.

GST Absorption

In an effort to alleviate the financial burden on our residents, West Coast Town Council is set to waive the 1% Goods and Services Tax (GST) for commercial properties, market stalls, and food centres. This initiative will be effective for a duration of six months, commencing on January 1, 2024, and concluding on June 30, 2024.

Let's make West Coast our Best Home, Together.

Treasure raw materials.

Have you ever wondered how best to dispose of your old laptop or computers?

The simplest solution tends to be the best one. And the simplest answer is: E-Waste Recycling.

Ever since the program's inception, West Coast Town Council and ALBA have been working to bring the solution of recycling your e-waste to a bin near you. With over 550 E-bins deployed nationwide, closing the loop on e-waste recycling has never been simpler.

Why should you recycle electronics?

Recycling e-waste is crucial for several compelling reasons. Firstly, electronic waste contains hazardous materials, including heavy metals and toxic chemicals, which, when improperly disposed of, can contaminate soil and water, posing serious health risks to both humans and the environment.

Secondly, recycling e-waste conserves valuable resources. Electronics contain precious metals like gold, silver, and copper, as well as recyclable materials such as plastics and glass. By reusing these materials, we reduce the need for mining and manufacturing new components, conserving energy and reducing greenhouse gas emissions in the process.

Thirdly, recycling e-waste helps mitigate the problem of electronic waste overload in landfills, which contributes to overcrowding and pollution issues. By diverting e-waste from landfills, we can reduce the environmental burden associated with these growing waste streams.

What can you recycle?

ICT equipment, Large household appliances, Electric Mobility Devices, household batteries, keyboards, remote controls... the list goes on!

Refer to <https://alba-ewaste.sg/> for more details.

Recycle and get Rewarded!

Every time you recycle through any of ALBA E-Waste's collection channels, you will be rewarded with points on ALBA's STEP UP app, which can then be used to exchange for discounts and deals with ALBA's partners. Recycling has never been so rewarding!

Regulated E-Waste

Computer & Laptop

Mobile & Tablet

Printer

E-Mobility Device

TV & Desktop Monitor

Household Battery & Powerbank

Network & Set-Top Box

Air-Conditioner

Consumer Lamp

Electric Vehicle Battery

Refrigerator

Washing Machine & Dryer

ICT equipment can be recycled together with their embedded batteries as well as any cables, adaptors, remote controls, keyboards used with the product.

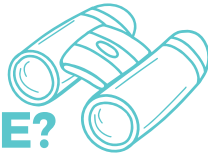

If your E-Waste cannot be found above, it is currently non-regulated. For non-regulated E-Waste, you can drop them off at non-regulated e-waste recycling bins.

Scan for a map of non-regulated recycling bins!

QUIZ

CAN YOU SPOT THE DIFFERENCE?

Test your powers of observation! Challenge yourself now and spot 5 differences between these two photos and stand a chance to be one of the 10 winners.

BOUQUETS FOR TOWN NEWS

Dec/Jan 2024 Issue

Dear Mr Phua Kok Wah,

Thank you for getting back to me last month! Thank you for the kind explanations on the keys and the use of the void deck for plants. Thank you and your team for incorporating the nice mural on the facade of the HDB block! It really adds a pop of colour to the neighbourhood!

One good thing about the present batch of cleaners is that they took the initiative to wash the block after fumigation since there are a lot of dead cockroaches around. Kudos to them!

Thank you and your team once again for helping with the block issues and making the residents living environment so much better!

Regards,
Louise Tay

Dear Mr Kng,

We would like to express our appreciation to you for arranging a prompt solution with the Contractor. It is impressive that we have received such a fast response.

Our family has stayed in Teban Gardens for the past 36 years and well served by your team of maintenance staff.

Please convey our appreciation to your wonderful staff and workers for the work well done.

Sincerely,
Wong Family

Dear Maurice,

Like to express my appreciation for the coating applied to my corridor and that of my neighbours to prevent algae built up. Although I am not exactly sure about its function, I trust this solution will also ward off spiders and insects.

Thank you Town Council, participating agencies and LS 2 for all your ongoing efforts to improve and enhance the environment.

Regards,
Ms Tan

CAN YOU SPOT THE DIFFERENCE?

Here are the winners of the last quiz:

Ang Ah Len
Ee Kai Xuan
Lee Siew Chin
Manickam Jaya
Martha Safira Horatio
Muhammad Iskandar Bin Ishak
Noraini Bte Osman
Olivia T Balu
Suratman Jumari
Yeow Koon Tin
